**UCAF** is on tomorrow 1 May and the topic is May Day. We are to bring along things we know about May Day. The internet has a lot, and Victoria has quite a prominent place in sparking off the push for an 8 hour day! I have found there is even a plaque about it at Melbourne Uni. This was a lucky find, as it has meant little to me alas! Please bring a small plate of food to share and if you can, something for the trading table.

Lentara's Asylum Seeker Program supports vulnerable asylum seekers with safe housing, a basic living allowance and material aid. The people we support have no work or study rights, no income support and no Medicare and therefore no way to live with dignity. We are not government funded and are wholly reliant on individual donations, grants and philanthropic funding.

This year we need to raise \$40,000 dollars to meet our fundraising deficit. If all our supporters donated the price of a cup of coffee or a piece of cake, we could reach this target.

\$5 can provide one child a healthy meal

\$10 can give one family access to public transport

\$50 can give one child access to a GP

\$137.60 can provide the basic living allowance to one family

\$200 can provide cost of housing utilities

\$500 can pay the rent and utilities for one family for one month

St.Margaret's generously supports this ministry in order to help make this world a better place for all.

## **CHURCH COUNCIL REPORT**

At our Council meeting this week we welcomed Jenny Willetts who spoke on the Stable One Project, a pilot program, which involves local churches co-operating in providing shelter each night for homeless people during winter. Council is considering ways in which we might support the program. Representatives from the Chin Fellowship were also present as they have expressed a desire to do something to help the homeless.

We were then privileged to hear Lian speak on his call to ministry in the Uniting Church. This interview and a report and recommendation by the Church Council is an important part of the process in seeking acceptance as a candidate for ministry and was a major part of the meeting.

Council has chosen a contractor to replace the high windows but must wait for approval from Presbytery before the work can commence. Council approved the range of works including repainting necessary to prepare the manse for new tenants. Not surprisingly it was 10:40p.m. before the meeting concluded !

### **Letter writing**

If you are concerned about the need for Political Donation Reform you can write letters to the Prime Minister and Leader of the Opposition.  
There are guidelines in the pocket on the Social Justice board.

### **Petition**

East Timor (Timor Leste) is one of Australia's neighbours. There are resources under the sea between us. It seems fair to share these by drawing a boundary halfway between our countries. You can sign a petition today asking our Foreign Minister to do that.

**LINK** - Items for inclusion in the June Link are needed as soon as possible.  
Thanks Marj Hookey, Editor

**APPEAL** Church Council has asked that we support the emergency appeal for the East Africa Famine through Act for Peace. NCCA. Please take an envelope today. The appeal will be open for three Sundays.
